What do I mean by **very, very well**? I get clients off and I keep them out of jail. I've torn witnesses apart and I've won cases people thought were impossible. Unlike ordinary lawyers, I am a Solicitor Advocate, this means that I can appear in the High Court. Unlike ordinary lawyers I have trained in how to present a criminal case with the best lawyers in America. I hold a certificate in Advance Advocacy from NITA (USA). I am no ordinary lawyer.

HERE'S WHAT SOME OF MY CLIENTS HAVE SAID:

Simply the best.

Excellent, I was absolutely delighted by the way my case was conducted and presented.

Unlike my previous lawyer, Charles sat down with me and went through every aspect of the evidence. When I went to court I knew exactly what was going to happen.

Thank you so much, no one else could have done such a good job.
